DEAR CORPORATE PARTNER,

Thank you for considering the opportunity to become a valued Corporate Sponsor for **Jewish Joy Shabbat: Rooted in Joy**, hosted by Hillels of the Florida Suncoast. By partnering with us, you will not only gain a unique platform to connect your business with a diverse and engaged audience, but also play an essential role in supporting a cornerstone of the University of South Florida and the broader Tampa Bay community.

Founded in 1985, Suncoast Hillels is the premier Jewish campus organization in Tampa Bay, dedicated to enriching the lives of Jewish students at USF, UTampa, and other regional institutions. Our mission is to embrace, engage, and empower Jewish students, helping them build meaningful connections to their heritage, their peers, and their community. Through vibrant programs, leadership development opportunities, and guidance for navigating college life, Hillel serves as a home away from home, fostering a strong sense of identity, purpose, and joy.

Hillel's impact extends far beyond college campuses. Many alumni go on to hold leadership roles in the Jewish community, politics, and professional spheres, bringing the values they cultivated at Hillel into their careers and communities. Our board members represent some of Tampa Bay's most dedicated professionals, actively strengthening the region through nonprofit work, leadership initiatives, and community engagement.

Enclosed, you will find detailed information about our sponsorship opportunities, including the benefits your company will enjoy as a Jewish Joy Shabbat: Rooted in Joy Corporate Sponsor. If you would like to schedule a private tour of our state-of-the-art facility on USF's main campus or have any questions, please contact our Executive Director, Sylvie Feinsmith, at (813) 899-2788.

We look forward to welcoming you as a partner in our vital mission and celebrating Jewish joy, community, and connection together.
