## *Become a Corporate Sponsor to Help Support Our Students Build Strong Jewish Identities*

In today's world, college students face more challenges than ever before. Navigating college life while figuring out who they want to be, and how they will contribute to society as they prepare to head out into the world, can be extremely overwhelming. Consequently, helping them build strong Jewish identities during this critical time in their lives has never been more crucial.

The Jewish Life Festival is a fundraising event hosted by Hillels of the Florida Suncoast to benefit Hillel at the University of South Florida. Proceeds from this event will help our USF Hillel students shape who they will become as Jewish adults. Suncoast Hillels' first-ever Jewish Life Festival is an in-person, family-oriented afternoon of fun and festivities for our entire community, and will be held at the Hillel Jewish Student Center at USF.

The mission of USF Hillel is to enrich the lives of the more than 2,000 Jewish undergraduate and graduate students at the University of South Florida so they may enrich the Jewish people and the world. Part of this mission includes ensuring a future for the Jewish people, but without helping each of our USF Hillel students build a strong Jewish identity, turning that mission into a reality for our people will not be possible.

# Make a Difference to a USF Hillel Student

## How Your Support Helps our USF Hillel Students

*Here are just a few examples of the impact your Jewish Life Festival corporate sponsorship will have on our students and our goals – not only to help them build strong Jewish identities but to ensure a Jewish future for our people and the world.*

## Bagel Brunch

A donation of \$180 provides a Sunday morning Bagel Brunch for 40 or more USF Hillel students. A Bagel Brunch builds Jewish community on campus and provides a delicious breakfast at the same time.

## Ice Cream Parlor

With a donation of \$360, USF Hillel provides delicious home-made ice cream to 50 USF students at our weekly multicultural Ice Cream Parlor. Each semester, USF Hillel's Ice Cream Parlor serves as a sweet space for students from all backgrounds to mingle, learn and embrace coexistence as the path towards a stronger USF community.

## Shabbat Dinner

A donation of \$540 provides a home-cooked Shabbat dinner for 60 or more students at USF Hillel. A student-led Friday evening Sabbath service makes the evening even more special for our students while giving them the opportunity to connect Jewishly.

## Train Jewish Leaders

USF Hillel sends students to national conferences such as the AIPAC Policy Conference, the JNF National Convention, Stand With Us, CAMERA and more. A donation of \$1,080 will send one student to a conference and help us train the next generation of Jewish leaders.

## Passover Seder

If they can't be at home, then the next best place for Jewish students to be on Passover is at USF Hillel. An investment of \$1,800 makes it possible for Hillel to provide a Kosher for Passover Seder for more than 100 students.

## Guest Lecturer for Students

A donation of \$3,600 pays to bring influential Jewish leaders and lecturers to speak with and inspire USF Hillel students.

team 2012 and 2016*
